Summer Holiday's Homework for Class 2nd

Session 2019-20

Instructions for Holiday Home Work

Dear Parents,

The most awaited vacations of the year are around the corner. It is a wonderful time to relax, enjoy ice-creams and spend quality time with our families. At the same time, it is a time to revise the work done in the previous months. Here are some suggestions to make the vacation a memorable one.

- Play with them, tell them stories and talk to them about their problems, aspirations etc. Tell them anecdotes and share your experiences about summer vacations when you were in school and give them a glimpse into your childhood.
- Help them set and achieve goals for self –improvement and motivate them by your own active participation (for example managing anger, meditating for calmness, cycling and yoga for fitness).
- Encourage them to read, dance, paint and sing. Motivate them to pursue a hobby.
- The homework assignments and activities are designed to help the students explore their own creativity as they attempt each of the fun-filled subject enrichment activities. Help them to create something truly magical in the process.
- Focus and develop an effective diet routine for your child and always remind him/her to stay hydrated by drinking a lot of water and fluids. Talk to your child about the bigger purpose of their life and life skills. Cultivate positive perspective towards life. I hope that these suggestions would help to cement the bond between you and the children as well as help us to work as partners in shaping an extraordinary future for our kids.

Dear Students

June is upon us again and for our little scholars like you. It means a time to recharge your batteries while eating ice-creams and mangoes to beat the heat. Here are some suggestions that we feel will make your vacation more enjoyable:

1. Try to take up a summer activity like swimming, dancing etc. Spend some time doing yoga, exercise, meditation etc. for mental health and physical fitness.
2. Read comics like Amar Chitra Katha, Diamond Comics etc to come to know more about Indian mythological and historical tales. Read the newspaper daily.
3. Help your parents in the kitchen and make some special healthy summer treats like mango, panna, lemonade etc.
4. Under Parental supervision, students can make use of apps like Word Search, 4 Pics One Word, Word Cookies etc. to enhance their vocabulary instead of wasting their time on social networking sites or playing computer games.
5. Try to converse in English with your parents, siblings friends and relatives, as it will improve your proficiency in this international language.
6. Plant a sapling and watch it grow.
7. Watch animated English classics like Up, Frozen, The Beauty and the Beast etc. and English news.
8. Improve your handwriting by practicing daily.
9. Ensure a time limit (maximum 1 hours) for watching TV or playing computer games. Do not waste your precious time in surfing internet and visiting social networking sites like facebook, Twitter etc.
10. Revise all the previous work done in class.
